(8 am - 5 pm)

Hosted By

**Santa Rosa
Police Department**

2019 CIVILIAN LE SYMPOSIUM

Many civilians work within law enforcement. These valuable employees serve in field operations, investigations, administration and records, doing many of the same job responsibilities as sworn officers. While sworn staff continuously attend training mandated by law, civilian staff have limited opportunities.

The Symposiums Mission is to provide leadership for the advancement of civilian training, education and recognition. Join Us!!

2019 CIVILIAN LE SYMPOSIUM
